The Primary Curriculum has been revised in the light of the National Education Policy 2010 which emphasizes learning English as an international language for communicating locally and globally. The ‘English for Today’ textbooks have been developed to help students attain competencies in all four language skills in English through meaningful and enjoyable activities. Emphasis has been given to listening and speaking skills as the foundation on which to develop reading and writing skills. Topics and themes have been selected in a way that would not only help students address the needs of real-life situations, but would also inculcate human values in them as well as broaden their mental horizon. Grammar points and planned activities to develop students’ competence in all four language skills have been presented within contexts in a systematic and graded way.

The ‘English for Today’ textbook is accompanied by a Teacher’s Edition. However, we are aware that to conduct teaching and learning of English most effectively and fruitfully, particularly at the primary stage the textbook needs to be complemented with audio-visual materials. We sincerely hope to do so in the near future.

Curriculum development is a continuous process. Textbook is developed based on curriculum. To make the young learners interested, enthusiastic and dedicated, Bangladesh Awami League Government under the dynamic leadership of the Honourable Prime Minister Sheikh Hasina has taken initiatives to change the textbooks into four colours, and make interesting, sustainable and distributed free of cost since 2009. The distribution of text-books for all Students of Pre-primary, Primary, Secondary, Istediae, Dhakil, Dhakhil Vocational and S.S.C Vocational level have been taken free of cost across the country which is a historical initiative of the present government. In this continuation, NCTB has developed and printed textbooks with quality papers and four colours illustration according to revised curriculum within a short time in this year as well.

It is to be mentioned here that this textbook was tried out during the school calendar year of 2013 in 32 Government primary schools in different locations throughout the country to ensure its appropriateness to the students. The contents and the illustrations have been refined based on the feedback of the try-out and on critical review. I offer my sincere thanks to all concerned in this complex and significant process.

I also sincerely thank all who have been involved with the production and publication of this textbook.

আমাদের ধর্মান্তরণায় প্রথম স্তর থেকেই বিশ্বাসে ইংরেজি শেখানো যাচ্ছে শাখাতামুক্ত করা হয়েছে দেন বিভিন্ন শিক্ষক যা শিক্ষার্থীরা শিক্ষককে ইংরেজি ভাষা চর্চার মাধ্যমে ক্রমাগত ওই ভাষার চর্চা লক্ষ্য করে তা না যুক্তি বলতে, বলতে পারে। এর ফলে শিক্ষকরা ভবিষ্যতে বিশ্বাসের এই যুগে বিভিন্ন পরিবর্তিতিতে সহজ ও যাত্রাবিকভাবে ইংরেজি ভাষা ব্যবহার করে অপরের সঙ্গে ভাব বিনিময় করতে সক্ষম হবে।

আমাদের মনে রাখতে হবে শিক্ষার্থীরা সেই ভাষাটিই আয়ত্ত করতে সক্ষম হবে যে ভাষা তারা সবসময় তাদের চারপাশে শোনে। তাই ইংরেজি ভাষা শিখতে হলে একজন শিক্ষার্থীর জন্য প্রচুর ইংরেজি শোনা আবশ্যক। একজন শিক্ষকই পারেন শিকিঞ্জকে শিক্ষার্থীদের জন্য এই সুযোগ করে দিতে।

শিক্ষক প্রতিদিনের ধ্বনজীবি কিছু অভিব্যক্তি শেখেন greetings, farewells, commands and instructions ইত্যাদি ব্যবহার ইংরেজি ভাষায় শিক্ষককে নিয়মিত সম্পর্কে করেন এবং তার মাধ্যমে শিক্ষার্থীদের সেই সব ইংরেজি শোনা ও বলার চর্চা সুযোগ করে দেবেন।

পাঠ্যপুস্তকের ছাঁদা, বক্তব্য, গল্প, কথাপাতলা ও অন্যান্য শিষ্যরা ভাগ বিষয়কেই শিক্ষক প্রথমে জোরে সম্পূর্ণ ও গুরুত্ব উচ্চারণ এবং কণ্ঠচক্রের সঠিক ওঠানামা (intonation) ব্যবহার করে পড়ে শোনানে।

শিক্ষার্থীরা তা অনুসরণ করে বলার মাধ্যমে উন্মুক্ত বিষয়গুলো আয়ত্ত করতে পারবে।

English For Today পাঠ্যপুস্তকের গাণ্ডিকটিক শিক্ষাশোনার কার্যকলাপে শিক্ষককে কার্যকর করার সময় শিক্ষার্থীরা সেই পর্যন্ত শিক্ষণ উন্মুক্ত করতে পারে, শিক্ষক তা অবশ্যই বিশ্বাস করেন।

এই উদ্দেশ্যে শিক্ষক শিক্ষার্থীদের দিয়ে pairwork, groupwork, chain drill, role play ইত্যাদি করানে।

অনেক সময় শিক্ষকরা শেখানো যাচ্ছে যে ক্লাসে কাঠামো বাংলা ব্যবহার করা যায়। শিক্ষকদের মনে রাখা প্রয়োজন, তিনি শিক্ষককে যতক্ষণ ইংরেজি বলবেন, শিক্ষার্থীরা ততক্ষণ ইংরেজি বলবে ও তা আয়ত্ত করতে সম্প্রভূত হবে। তবে অনেক সময় দেখা যায়, যে শিক্ষকের ইংরেজিতে বলা নির্দেশনা শিক্ষার্থীরা বুঝতে পারছে না। তবে শিক্ষক একাকী বাংলার পরিবর্তনের সুযোগ দিতে এবং শ্রেষ্ঠতে একটি সময়ের পরিবর্তন এবং শিক্ষক একাকী ইংরেজিতে পুনরায় শিখতে হবে।

F. Listen and read.

What food is good food? Sometimes the food we like to eat isn’t the healthiest food for us. The Food Pyramid helps us to understand the different food groups, and it tells us how much of each food group we should eat.

Look at the picture of the Food Pyramid. We eat more of the foods at the bottom of the pyramid. What foods do you see at the bottom? These are things made from grain, for example, rice, rutí and bread. Potatoes are not grains, but they are similar. Grains give us energy.

Fruit and vegetables are in the next level of the pyramid. These are also very important for us. They have vitamins. They help our eyes and our health.

On the next level, there are fish, meat, dairy products, beans and lentils. Meat, fish and chicken have protein. Beans and lentils do, too!

Dairy products are things like milk and eggs. They help our teeth and bones. Protein and dairy make us strong.

Fat and oil are at the top of the Food Pyramid. These make food delicious, but our body does not need very much of them.

Sometimes we can’t get food from all the different food groups. But when we have choices about food, we need to make good choices.

**City streets and country roads**
by Eleanor Farjeon

The city has streets—
But the country has roads.
In the country one meets
Blue carts with their loads
Of sweet-smelling hay,
And mangolds, and grain.
Oh, take me away
To the country again!

In the city one sees
Big trams rattle by,
And the breath of the chimneys
That blot out the sky.
And all down the pavements
Stiff lamp-posts one sees—
But the country has hedgerows,
The country has trees.
As sweet as the sun
In the country is rain:
Oh, take me away
To the country again!

A visit to the Liberation War Museum

On 14 December, our class went on a field trip to the Liberation War Museum at Segunbagicha, Dhaka. The trip was planned as part of our Bangladesh and Global Studies course. Our bus reached the museum at 10 a.m. A guide was waiting for us. He welcomed us warmly and took us on a quick tour of the different galleries and exhibits of the museum.

There were six galleries that exhibited rare photographs, documents and newspaper clippings, and objects used by the freedom fighters and the martyrs of our liberation war. At Gallery 3, our teacher read out to us the Declaration of Independence by Bangabandhu Sheikh Mujibur Rahman. Some other visitors also stopped and listened to it attentively. As we went inside Gallery 6, we fell silent. We were sad as we looked at the personal belongings of some of our martyred intellectuals and freedom fighters - a pair of glasses, a pen, a notebook, a

There were 10 of us and two leaders. We were a big group, so we didn’t take any rickshaws. We walked together in our group. It wasn’t very far. At the camp, we cleaned up the area, set up our tents and prepared our breakfast. After breakfast, we played games with cubs from other parts of Bangladesh. Then we had lunch. We cooked rice and chicken. In the afternoon and evening, we sang songs and recited poems. It was fun! At night, we slept in our tents.
It was a great day!

The next day, after the camporee, we went to Lowachara National Park. It was very interesting! We took a walk beside a small stream in the forest. Our leaders told us to be very quiet because the animals are frightened by noise. We walked quietly up a small hill, and suddenly we heard something in the trees above our heads. We looked up and saw a gibbon! It was moving quickly through the trees.

After our visit to Lowachara National Park, we went to the Nilkantha Tea Cabin. This is a famous place to drink tea in Sreemangal. Cyclone Aila

Babul and his family live on the island of Dublar Char. Life is good for the family now, but that wasn’t true after Cyclone Aila. Babul doesn’t remember Cyclone Aila, but his parents often talk about that terrible night in 2009.

Babul’s father had a grocery shop and his mother worked in a fish farm. They had a small house that they shared with Babul’s grandparents. Babul was just a baby, but his sister Nipa was six years old.

Babul’s father told him what happened that day. There was light rain in the morning on 25 May. In the afternoon, the wind started to blow and people began to run for their homes. Babul’s father closed his shop and his mother came home. His grandparents checked the family’s emergency kit. Their torch was working and they had extra batteries. They put the torch, batteries and first aid kit in plastic box.

By the evening, the river was rising. The winds of Cyclone Aila shook the walls of the house as if there was an earthquake. Everyone was afraid. Nipa began to cry. Suddenly, there was an awful noise and the family’s roof blew away! The sky was dark, but the family could see trees flying over their heads. Grandmother still says she saw fish flying through the sky.
The next day was awful. Babul's family couldn’t stop crying. Nipa and grandfather were gone. Babul’s father went out to look for them. He found Nipa in a field. She was holding onto a tree and she was covered in mud. She didn’t remember anything. He took Nipa at home and began looking for his father. He looked in the fields, the buildings and in the trees. Many people in Bangladesh were missing after Cyclone Aila, and Babul’s grandfather was one of them. The family never found him.

After Cyclone Aila, people worked together. Nipa’s school became the shelter for the survivors. Babul and his family went to live in the school. The government of Bangladesh and workers from NGOs came to help, but things were very hard. There wasn’t enough safe drinking water or food, so many people became ill. In time, people repaired their homes and rebuilt their villages and bridges. They planted new trees and new crops in their fields. Babul feels happy when he looks at the trees and his sister Nipa, but he feels sad about his grandfather. His grandmother says, “Don’t be sad, Babul. Grandfather wants us to live for the future.”

A. Listen and read.

What sound does a frog make? Croak, croak! It isn’t a beautiful sound. But, a long time ago, frogs had beautiful voices. They could sing more beautiful than the birds. This all changed because of one frog named Bluster.

Bluster had the most beautiful voice of all the animals. When he sang, all the other animals came to hear him. They enjoyed listening to him. “Please teach us how to sing!” the animals asked. But Bluster always answered in the same way. “No, no. My voice is mine. I cannot share it,” he said.
One morning, Moxie the rabbit and Pluck the lizard talked to the fox and the rat. “Bluster has such a big, beautiful voice. Surely, he can share it with us,” said Moxie. They agreed. Bluster should share his voice with them. It was such a big voice. Each animal could have just a small piece of it. Bluster could share his voice with each animal.

The animals talked and talked late into the afternoon. They made a plan to take Bluster’s voice. They decided not to tell the birds. But, they didn’t have to tell them! The birds were sitting in the tree and they heard the animals’ plan.

At midnight, Pluck and Moxie quietly went to Bluster’s home. Bluster was sleeping in his bed, and without making a sound, they took his voice! They put it into a glass jar.
Pluck and Moxie took the glass jar outside. The other animals were waiting. “Oh, give me my piece!” said the fox. “I want my piece!” said the rat. Suddenly, the jar fell to the ground and it broke. Bluster’s voice and the jar were now in a hundred little pieces.

“Oh, no!” cried Moxie. The animals searched, but they couldn’t find any of the pieces. It was too dark and the pieces were too small. “What are we going to do?” asked Pluck. “We will come back in the morning,” said Moxie. And, all the animals went home without a piece of Bluster’s beautiful voice. They were all very tired from looking for the voice, so they went to sleep.
